

### **Frances Downes, Writer & Producer**

Frances has been involved with stage productions of one kind or another for most of her life. She first became involved with Youth Theatre in Sixmilebridge in 1984, and has produced a show every year since. Between 1984 and 1996 she produced shows for the "Tops of the Clubs" Competition, and by the time the event ceased to exist in 1996, Sixmilebridge Youth Club had won every possible award at county and national level. Sixmilebridge also won the Top Comedy Award in "Tops of the Town" in 1996. "Babes in the Woods" is the 7<sup>th</sup> panto written and produced by Frances and this is her 24<sup>th</sup> consecutive production with Sixmilebridge Youth Club. Her ambition has always been to give every young person who wants it, an opportunity to perform on stage. Hundreds of young people who have done just that since 1984 would say that she has succeeded!

---

### **Ray Maxwell, Co-Producer**

Ray has been a member of the Youth Club from the age of 12, taking time out for a few years due to work and family commitments. He has been involved in Variety shows with the Youth Club from the start, and has taken part in a number of shows with Shannon Musical Society, as well as playing lead roles in school productions. Since his return in 2000, he has been instrumental in promoting and co-producing the pantomime shows. He's a strong believer in nurturing and showcasing young talent, and is only too delighted to give the kids the opportunity to perform and to demonstrate this talent. He would like to take this opportunity to thank the cast of Babes in the Wood for their commitment and dedication. To their parents, without whose support, we would not be here today. And finally, a heartfelt thanks to you, our audience.

## Acknowledgments

Tonight's production is the result of many months of hard work, not just by the people on stage, but also by the many people who work tirelessly behind the scenes. A show such as this one couldn't come together without the dedication and commitment of everyone involved – backstage crew, ticket outlets and co-ordinators (Breda, Maureen and Patsy you've come up trumps - again!), front of house team, Sixmilebridge G.A.A. Club and many more. This year, once again, we wish to thank most sincerely all of those who have contributed of their valuable time and efforts, but who choose not to share our limelight. You know who you are and so do we. Thank you.
