## Our Appreciation

- We wish to sincerely thank those who have contributed their valuable time and efforts.
- What you see here tonight is the result of many months of hard work, not just by the people on stage, but also by the many people who work behind the scenes.
- The planning and preparation commenced in the summer of 2016 and a show such as ours simply couldn't come together without the commitment of everyone involved.
- Our backstage crew keep the show on the road for each performance and both our front of house team and Sixmilebridge GAA Club also deserve special thanks.
- We would like to thank our ticket outlets – Centra, Tim Crowe's Gala and the Post Office – who very kindly facilitate us each year.
- We would also like to thank our programme sponsors, whose support contributed greatly to the production costs of this pantomime.
- Finally, you, the audience – without your continued support, we would not be able to do this year after year.
