### APPRECIATIONS:

We wish to sincerely thank those who have contributed their valuable time and efforts. What you see here tonight is the result of many months of hard work, not just by the people on stage, but also by the many people who work behind the scenes.

The planning and preparation commenced in the summer of 2018 and a show such as ours simply couldn't come together without the commitment of everyone involved.

Our backstage crew keep the show on the road for each performance and both our front of house team and Sixmilebridge GAA Club also deserve special thanks.

We would like to thank our ticket outlets – Centra, Tim Crowe's Gala and the Post Office – who very kindly facilitate us each year.

We would also like to thank our programme sponsors, whose support contributed greatly to the production costs of this pantomime.

Finally, you, the audience – without your continued support, we would not be able to do this year after year.

# TESTIMONIALS

Ben Naughton-Shires

Panto is the best experience I've ever had. I've never laughed so much as with the panto gang!

Ciará Minihan

Everyone gets involved and has a part to play.  
You get to meet up with friends and make new ones.

Kate Flynn

A place where everyone is included and valued.  
Confidence is developed and friendships made. There is no experience like it.

Ben Murphy

SMB Youth Club plants a seed in each of its members which develops into a friendly, social and self-confident person. One of the best things I ever took part in.

Aoibhe Ward Murphy & Zainab Sholarin

It is a really nice friendly environment.  
The people are really welcoming even if you are new and don't know anybody.  
It is a great place to grow and develop your self-confidence.

Liam Togher

One of the greatest things I've ever done. I've met many of my best friends through youth club and the buzz and the craic we have around showtime is indescribably exceptional. A great bunch of lads!

## LYRICS

### You Don't Bring me Flour

You don't bring me flour  
You ain't got no money.  
You just don't pay your bills anymore,  
Like you used to before,  
At the end of the day.  
I remember when we used to eat paninis,  
Bread rolls, toast and beanies,  
Now all we've got is porridge and rice.  
Rice is good for you babe,  
And porridge is nice.  
But bread would be better,  
If given a choice,  
But we ain't got no flour anymore.

### Cash and Carrie

I woke up this morning,  
And I bet the day was dawning.  
And I thought of you dear,  
And the wonderful things that you do dear.  
Every lonely night with nothing left to do, every moment  
dreaming of a man like you.

#### Chorus

You're my little Casherella,  
You're my giant sized Cinderella,  
You will always be my fella,  
You and I are meant to be.  
Very soon we two will marry,  
We'll be known as Cash and Carrie,  
We'll forget that waster Larry,  
We'll be as happy as can be.

There's a church bell ringing,  
Hear the song of joy that it's singing,  
For my Casherella, for a gal and her special fella.  
Chasing dates on Tinder is an awful pain,  
But we'll have each other through the wind and rain.
